

Home learning for Year 3 classes – Week 6

Date: 7 th June – 10 th June 2016						Topic – Fizzing and Foaming	Maths		
Spelling	M	T	W	Th	test	<p>We are learning about Changes/Fizzing and Foaming in our topic.</p> <p>The wiki has several Science links on Matter/Changes that you might like to explore this week. Just go to the school website and access the wiki through the information section.</p>	Maths		
1.							Practise your skills using Mathletics. Spend around 5 - 10 minutes each night on Mathletics to brush up your basic fact knowledge.		
2.							Reading Log		
3.							Date	Title	Signature
4.									
5.									
6.									
7.									
8.							<p>Spelling results</p> <p>I knew how to spell ____ out of 10 in last week's spelling test!</p>		
9.									
10.									
<p>From the teachers:</p> <ul style="list-style-type: none"> This term all children require a change of clothes for sport and playing on the field during lunchtime. Please send a change of clothing, all named in a plastic bag on Monday to school. Children will bring the bag of clothing home on Friday for washing. Students are all enjoying using the Reading Eggs website at school. This free trial will last for 4 weeks (until 12th June). There are lots of books and activities for the children to enjoy. Please feel free to explore the website as part of your reading home learning and reading books from the website instead of readers from school. The children have sat a pretest, so the material is at the correct level for each child. Thank you for supporting the Knowledge-a-thon. We were really pleased with the effort by all children with learning the facts. Please return sponsorship money so children can be part of the daily prize draws. 						<p>This week's learning will include:</p> <ul style="list-style-type: none"> Maths – Addition and Subtraction Topic – Fizzing and Foaming Writing – Describing a Process / Narrative PE – Gymnastics
